**Minutes from previous meeting**  
**Matters arising**

WBCCC Ride on a Tuesday from Three Sisters has proven to be quite popular with quite a few new members joining because of it. The Active Living rides are still going ahead as required, some weeks however there has only been call for the WBCCC ride!

Gearing Up progression rides on hold until next year. We will re-visit this idea of having a ride from Simon's workshop in the next meetings.

**Ride Calendar**

Ride calendar up to December has now been sorted. Ride details will be available on the website very soon. A few new routes have been included along with a few 'old favourites'.

John Bower is doing a new route around Lymm on Monday 24<sup>th</sup> August

Please let Jim/Paul know if you have any new rides that you would like to see on the calendar.

**Club Promotion**

There was a good and lively discussion around the potential of our WBCCC Facebook page. Paul Boffey highlighted that other groups use their Facebook page more actively and add comments etc that prompt follow up comments resulting in a very attractive and interesting page. Similar use by WBCCC would allow more people to see and become aware of WBCCC, hopefully resulting in the recruitment of new members. All agreed to try and look at Facebook more and add comments where appropriate to generate more discussion.

DR to promote WBCCC via Active Living Facebook page as it has over 2000 followers.

**Website**

Website domain name is up for renewal-All agreed that we should keep the same address as it is on all promotion and has decent traffic already.

## **Camera**

A new cycle handlebar camera has been purchased from the 'Bithell's' sponsorship money of £200. The camera can be used to capture footage on the rides and used to promote the club via video edit.

## **Bikers Breakfast**

Simon Dale has invited WBCCC members to a 'bikers breakfast' on Thursday 3<sup>rd</sup> September 7-9.30am. There will be promotions and a free breakfast also!
