

Minutes for Wigan Borough Community Cycling Club

Steering Group meeting Tuesday 2nd March 2021

Virtual meeting via Zoom 8.00pm

Members present

Jim Taylor, Phil Brown, Sue Bradley, Phil Bradley, Paul Broad, Pete Hudson, Allan Finch, Graham Cooper and Clive Chatterton.

1. Apologies for absence

Jim Heyes, Doreen Pukitis

2. Matters arising

It was agreed that “The Carbon Trail” ride suggested for Monday 17th May was a good idea and should go ahead to celebrate the return of our club meetings when groups of 30 people are allowed to meet outdoors. This ride will start from Trencherfield Mill 10.00am and will be led by Pete Hudson with a lunchtime stop at Irlam Train Station Cafe.

Allan Finch suggested that as a club should we look at having a Covid 19 vaccine passport for all members who wish to take part in club rides. Jim Taylor said he would speak to British Cycling and Cycling UK, who have since replied via Jim’s email (sent to all Steering Group).

Phil Brown said he would put together and post details of the ride plan taken from last year by early May, subject to no changes in the Government guidelines.

3. Next Meeting

Jim suggested that we should hold another short meeting at the end of April to update on the latest Covid 19 restrictions and how it may affect our club rides.
